

# MEMORANDUM

**TO: APPLICANT**  
**FROM: Williston STAR Fund Board**  
**DATE: November 2016**  
**REASON: Community Enhancement/Marketing Funds Application Process**

---

The City of Williston and the STAR Fund Board are pleased to offer the opportunity for your organization/community to receive funding to help attain a specific goal. Please read and consider CAREFULLY the instructions for applying. During the course of the past five years, several organizations and projects have received financial assistance through the Community Enhancement and Marketing Programs.

For 2016 the Community Enhancement Fund has up to \$50,000 allocated for distribution. These funds are subject to availability of funds at the time of grant distribution. We need to stress, however, that in applying for funding; **you are in no way guaranteed financial support.** All financial awards are based on scoring criteria that has been approved by the City Commission. When filling out your application, please answer the narrative questions in the order presented. This will assist the Board in their scoring process.

Marketing Funds and Community Enhancement Funds are **now inter-related** and applications will be received at the same time, **with the deadline for ALL applications Friday, December 30, 2016.** This will mean that the minimum amount that can be requested for both funds will be \$2,500.

In order to alleviate any confusion or disappointment, please inform your organization's members – **APPLYING DOES NOT AUTOMATICALLY GUARANTEE OR INFER THAT YOUR ORGANIZATION WILL RECEIVE FUNDING!** A scoring process has been developed to provide a fair and equitable evaluation for all projects based on their merit and benefits provided to the local communities.

The Board is looking forward to receiving and reviewing this year's applications! If we can be of any help in answering questions about the application process, please do not hesitate to call the Economic Development office for the City of Williston. Interviews with applicants will be scheduled for the 3<sup>rd</sup> week of January 2017; please mark your calendars. Phone interviews will not be accepted this year.

# **COMMUNITY ENHANCEMENT MARKETING FUND**

## **GENERAL PURPOSE**

On June 6, 2000, the voters of the City of Williston approved a 1% city sales tax through June 30, 2020. The proceeds of this tax are dedicated 75% to property tax relief including special assessment bond debt reduction and infrastructure replacement and 25% to a job creation fund, called the Williston STAR Fund, which includes community enhancements related to job creation, retention and expansion & marketing.

Of the 25% dedicated to economic and community development, up to 20% and not to exceed \$50,000 per year, would go toward community enhancement/marketing projects to improve the quality of life in our trade region.

The Community Enhancement Fund Committee was established to develop guidelines and procedures to be used by the STAR Fund to determine the community enhancement projects to be financed.

***"The primary purpose of the Community Enhancement / Marketing Fund is to enhance the quality of life in our trade area through job retention."***

Our quality of life affects the performance of existing businesses and is an important factor in determining whether new businesses and individuals will visit and/or move to our trade area.

The Community Enhancement/Marketing Funds provide resources to organizations and communities that are working to create, improve, and strengthen the quality of life by marketing, promoting and enhancing job development through the cultural, historical, recreational, educational, health/fitness and social/ethnic activities in our trade area.
